

# Los Angeles County Homeless Initiative

## SURVEY OF FAITH-BASED ORGANIZATIONS

### FOCUS GROUP SESSIONS

The Los Angeles County Homeless Initiative is currently asking leaders of faith-based organizations to fill out a 15-minute survey to better understand the support and services they provide to people experiencing homelessness or living in poverty, and to gauge their interest in expanding these efforts. Your participation in this survey will inform LA County on opportunities to enhance participation and strengthen partnerships with the faith community in serving people at risk of, or are experiencing homelessness.
